AN ACT

October 23, 1962
[H. R. 10541]

To assist States and communities to carry out intensive vaccination programs designed to protect their populations, particularly all preschool children, against poliomyelitis, diphtheria, whooping cough, and tetanus.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Vaccination Assistance Act of 1962".

Vaccination Assistance Act of 1962.

SEC. 2. Part B of title III of the Public Health Service Act is amended by adding after section 316 the following new section:

58 Stat. 693;
75 Stat. 824.
42 USC 243-247a.

"GRANTS FOR INTENSIVE VACCINATION PROGRAMS

"SEC. 317. (a) There are hereby authorized to be appropriated \$14,000,000 for the fiscal year ending June 30, 1963, and \$11,000,000 each for the fiscal years ending June 30, 1964, and June 30, 1965, to enable the Surgeon General to make grants to States and, with the approval of the State health authority, to political subdivisions or instrumentalities of the States under this section. Amounts appropriated pursuant to this section for the fiscal years ending June 30, 1963, and June 30, 1964, shall be available for making such grants during the fiscal year for which appropriated and the succeeding fiscal year. Such grants may be used to pay that portion of the cost of intensive community vaccination programs against poliomyelitis, diphtheria, whooping cough, and tetanus which is reasonably attributable to (1) purchase of vaccines needed to protect children under the age of five years and such additional groups of children as may be described in regulations of the Surgeon General upon his finding that they are not normally served by school vaccination programs and (2) salaries and related expenses of additional State and local health personnel needed for planning, organizational, and promotional activities in connection with such programs, including studies to determine the immunization needs of communities and the means of best meeting such needs, and personnel and related expenses needed to maintain additional epidemiologic and laboratory surveillance occasioned by such programs.

"(b) For purposes of this section an 'intensive community vaccination program' means a program of limited duration which is so designed and conducted as to achieve, with the cooperation of practicing physicians, official health agencies, voluntary organizations, and volunteers, the immunization against poliomyelitis, diphtheria, whooping
